# MILLE MERCI! THANK YOU!

The **Marche des Souvenirs**, benefiting the Sault-Saint-Louis Foundation, is a healthy and community-building fundraising event suitable for all ages. All proceeds will be dedicated entirely to the mission of the Sault-Saint-Louis Residence, which is to provide **free** care and psychosocial services to people at the end of life and their loved ones.

We warmly thank you for choosing to walk with us in memory of those who have passed away. We have prepared this **participant kit** to help you with your fundraising, whether you're doing it solo or as part of a team.

Visit our website to discover other tools (Facebook banner, poster, etc.) and don't hesitate to contact us if you have any questions.

Happy fundraising, and see you soon!

- The Sault-Saint-Louis Foundation Team

# 5 STEPS TO A SUCCESSFUL FUNDRAISING CAMPAIGN

1

## **Customize your page**

You can customize your personal campaign page by clicking “Edit Campaign” at the top of the link sent by Zeffy. Add a photo and explain what motivates you to participate in the walk. People are more likely to donate if they understand your motivation

2

## **Create a team and recruit teammates**

Whether by email, through social media, or in person, invite your friends, family, colleagues, and acquaintances to join your team by signing up online. Put up posters in a common area at work or give a short presentation to encourage them to get started with you.

3

## **Reach out to your friends and family**

Make a list of everyone you know—from your neighbor to your accountant—and send an email or Facebook message asking for a donation. Use your social media to spread the word about your campaign, and use our graphics to spruce up your personal page.

Don't forget to explain why you're participating in this event and to share the link to your personal fundraising page. Don't be afraid to follow up to get a response or a commitment. It often takes a few follow-ups to ensure you don't get forgotten.

4

## **Plan for the Day of the Walk**

Organize a meeting with your teammates to plan your participation in the walk: choose a meeting point, discuss ways to make yourselves stand out as a team and distinguish yourselves from other participants, and designate one of you as the photographer to capture memories of the event.

5

## **Thank your supporters**

Take the time to thank the people who donate to you. Once the event is over, share photos of the event with them and on your social media.

## **Above all, walk, celebrate, and have fun!**

Take advantage of the Marche des Souvenirs to have fun and celebrate together, in memory of your loved ones. Your participation in this event is a generous and responsible gesture that demonstrates your commitment to your community and your support for our mission.

We thank you from the bottom of our hearts!
